California Floods.

San Francisco, Jan. 27.—The United States Weather Bureau today issued a special river bulletin as follows: The stage at Redding is 10 feet and rising. The rainfall in the Siskiyou during the past 24 hours in from four to six inches, being heavier than for any equal period during January. This will cause the river at Redding to rise for the next 24 hours, probably to 20 feet. At Red Bluff the river is 24 feet and rising. It will overflow its banks during the next four hours. At Colusa the stage is almost 26 feet, and it will rise for the next 48 hours. At Oroville the stage will reach seventeen feet tonight. The rainfall in American and Yuba Valleys during the past twenty-four hours has been from one to three inches. These streamers will rise during the next twenty-four hours. At Sacramento the river will probably rise during the next two or three days to the twenty-seven-foot stage.

Railroad Fatality.

San Francisco, Jan. 27.—The south bound train on the San Jose division of the Southern Pacific ran into a washout near South San Francisco at 6 o'clock last evening. The engine and three cars toppled over into the water. Engineer John Keyer was killed and the fireman Gill was badly injured. Twenty passengers received injuries.

The engineer did not see or did not heed the warning lantern waved by the trackwalker.

The U. S. Court meets this morning. It is not probable that Coffin will be cited today as the U. S. authorities have decided to have him regularly indicted by a Grand Jury, as they consider that the gravity of his offense requires it.

Bob Grimmon will take charge of the Arlington House on February 1st. Bob has all the qualifications of a first class landlord and will run a popular hotel.

Ed. Burlington still continues his big reduction sale in foot wear.

Showers, drizzling rain, fog and earthquake yesterday.

O. Box 393 or Dr. Brandt's Hotel.

Cutlery.

John G. Fox has now the most complete line of cutlery in this city and of the finest quality. Everything in the line of first-class cutlery can be found here and at the most remarkable prices.

The Weiland Saloon.

Whitney has assumed control of the Weiland saloon, which he proposes to run strictly up to the times. He will dispense the best liquors and cigars and fine old Government whiskey which slides down your throat like oil, tickling your palate meanwhile. Call and see "Handsome Whit." D1

TIMES CHANGE ALSO PRICES.

Do you realize this. Do you know what made it. It was not the old time grocers who showed the people the value of a dollar, but new blood forced new prices to the front and showed the people where they were at.

We did not have to reduce prices to meet them *they came to our price*. This is our claim. We only want you to know where the credit belongs and deal accordingly.

We changed with the times, not after them, and our groceries are sold for modern prices.

L. H. BELL, Grocer.
